Subject to these conditions, the qualified candidates will then be placed in the final order of merit on the basis of total marks secured by them in the written examination, the Services Selection Board tests and in the Physical Endurance Test in two separate lists—one for the Army and the Navy and the other for the Air Force. The final selection for admission to the National Defence Academy will be made in order of merit subject to medical fitness and suitability in all other respect and number of vacancies available.

3. Standards for Height, Weight and Chest measurements.

(a) *Height.*—(i) The height of a candidate will be measured by making him stand against the standard with his feet together. The weight should be thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and quarter parts thereof.

(ii) Height standards for candidates of different age will normally be:—

Age	Minimum height in inches.
15-16 years	62
over 16 years	63

The minimum height in respect of Gorkha Nepalese, Assamese and Garhwali candidates may be reduced by 2".

(iii) Air Force only.—To meet the special requirements for training as a pilot, the minimum height and leg length will be:—

Height	64"
Leg length	Hip to Heel 39"

N.B.—On account of the lower age of candidates a margin of upto 2" in height and 1" in leg length may be given, provided it is certified by the Medical Board that the candidate is likely to grow and come up to the required standard on completion of his training at the National Defence Academy.

(b) *Weight.*—(i) Weight will be taken with the candidate fully stripped or with under-pants only. In recording weight, fraction of a lb. will not be noted. A correlation table between age, height and average weight is given below for guidance.

Age period	15-16	16-17	17-18
Height (Inches)	Weight (Lbs.)	Weight (Lbs.)	Weight (lbs.)
62	96
63	99	103	..
64	102	106	110
65	106	110	114
66	108	112	116
67	112	116	120
68	116	120	124
69	120	124	128
70	124	128	132
71	129	133	137
72	134	138	142

(ii) It is not possible to lay down precise standards for weight in relation to height and age. The correlation table is, therefore, only a guide and cannot be applied universally. A 10 per cent. departure from the average weight given in the table is to be considered as within normal limits. There may nevertheless be some individuals who according to the above standard may be overweight but from the general build of the body are fit in every respect. The overweight in such cases may be due to heavy bones and muscular development and not obesity. Similarly for those who are underweight, the criteria should be the general build of the body and proportionate development rather than rigid adherence to standards in the above table.

(c) *Chest.*—The chest should be well developed with a minimum range of expansion of 2 inches. The candidate's chest will be measured by making him stand erect with his feet together, and his arms raised over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side. Care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum and minimum expansions of the chest will be carefully noted. The minimum and maximum will then be recorded in inches, thus 33/35, 34/36 etc.

In recording the measurements, fractions of less than half an inch should not be noted.

4. Dental condition.

It should be ensured that a sufficient number of natural and sound teeth are present for efficient mastication.

(a) A candidate must have a minimum of 14 dental points to be acceptable. In order to assess the dental condition of an individual, points are allotted as under for teeth in good apposition with corresponding teeth in the other jaw.

(i) Central incisor, lateral incisor, canine, 1st and 2nd premolar and under-developed 3rd molar—1 point each.

(ii) 1st and 2nd Molar and fully developed third molar—2 points each.

When all 32 teeth are present, there will be a total count of 22 points.

(b) The following teeth in good functional apposition must be present in each jaw.

(i) Any 4 of the 6 anteriors.

(ii) Any 6 of the 10 posteriors.

(c) Candidates suffering from severe pyorrhoea will be rejected. Where the state of pyorrhoea is such that in the opinion of the dental officer, it can be cured without extraction of teeth, the candidate may be accepted.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. In such cases the Candidate must send in addition to the Matriculation Certificate an original certificate together with a copy thereof from the Headmaster of the High School from where he matriculated showing the date of his birth or his exact age as recorded in the school admission register. An Anglo-Indian or an Indian Christian, may send his original baptismal or birth registration certificate together with a copy thereof instead of the Headmaster's certificate.

If the Matriculation or equivalent certificate has not been issued to a candidate he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation or equivalent examination. Such a candidate will be required to submit his original Matriculation or equivalent certificate before he is admitted to the National Defence Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation or equivalent certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

NOTE 3.—Cadets of the Rashtriya Indian Military College (previously known as Sainik School), Dehra Dun, and students of the King George's School must submit a certificate of age from the principal of the School and no other certificate as evidence of age will be required.

If such a certificate or diploma is not submitted the candidate must explain its absence and submit such other evidence in original as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE 1.—Candidates who have appeared or intend to appear at any of the examinations the passing of which would render them eligible to appear at this examination may also apply for admission to the examination. The applications of such candidates will be accepted provisionally and they will be required to furnish proof of having passed that examination as soon as possible and in any case not later than the 1st December, 1961 otherwise candidature will be cancelled.

Each copy of the photograph should be signed in ink on the front side by the candidate.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned under 4 (ii), (iii) and (iv) above, without a reasonable explanation for its absence having been given, the application will be summarily rejected and that no appeal against its rejection will be entertained. The documents not submitted with the application should be sent soon after submission of the application, and in any case they must reach the Commission's office one month before the date of commencement of the examination. Otherwise candidature for the examination will be cancelled.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them. If there is any inaccuracy or any discrepancy between two or more such documents, an explanation regarding the discrepancy may be submitted separately.

If a candidate has already submitted the certificates required in paragraphs 4 (ii) and (iii) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the Certificates are not with the Commission, they should be sent with the application irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not.
